

CHURCH & State

A French Bistro Opened in September of 2008 in the original Nabisco Biscuit Company Building, built in 1925 located in the arts district of downtown L.A., where Michelin-starred Chef Tony Esnault crafts the finest of dishes.

The cuisine is traditional French Bistro fare, created using only seasonal produce of the highest quality. All of our products come from organic farms and have been compassionately raised without antibiotics or hormones.

Classics include Steak Frites, Escargot, Roasted Marrow Bone, House-made Charcuterie, Moules Frites, Steak Tartare, and a selection of French and artisanal cheeses.

The restaurant has a full bar serving seasonal hand-crafted cocktails, and an all-French wine list containing many organic and biodynamic selections.
