

2014 Best Of: Restaurants

■ The Readers Have Voted and the Winners Are...

DOWNTOWN LOS ANGELES - Downtown News Readers were given a chance to vote for the Best in Downtown, here's what they chose:

BEST FRENCH

Church & State

1850 Industrial St., (213) 405-1434 or churchandstatebistro.com

What was once the ultimate in American cuisine, a Nabisco factory, has long since been converted into Downtown's finest French restaurant. From hors d'oeuvres to plats principaux, it's hard to go wrong here. All hail chef Tony Esnault.
